Overseas Parcels Written Request No Longer Needed

The War Department advises that the requirement of a written request from addressees for the mailing of parcels to overseas A. P. O.'s, and the limitation with respect to the acceptance of not more than one parcel in any one week when mailed by or on behalf of the same sender to or for the same addressee, will be eliminated, effective May 1, 1947, according to Postmaster C. Earl Conner.

Therefore, on and after that date, postmasters may accept parcels not exceeding 70 pounds in weight or 100 inches in length and girth combined addressed to persons who are authorized to receive mail thru overseas A. P. O.'s, containing articles for the personal use of the addressees.

On Saturday, April 26, little Eddie and Baby Robert Asencio were baptized at the St. Joseph church. Sponsors were Mr. and Mrs. Henry Camou.

A gala and very Mexican fiesta will take place in Pueblo on May 4. Games will begin at 10:00 a. m., and a program of songs and dances will begin at 1:00 p. m. A great hero is honored on this day by the name of Ignacio Saragoza, who was the leader of a great battle, fought and won by the Mexicans on May 5, 1815. So, if you want to enjoy yourself come to Pueblo Center on May 4th at 10:00 a. m., and see our program. Your favorite Mexican dishes served. Admission is free.

The Del Amo club enjoyed a wonderful wiener bake on Saturday, April 26 at the Hollywood Riviera Beach. Everyone had loads of fun and lots of food to eat, which was delicious. Father Wood, our sponsor, and Miss Crute, our co-sponsor, acted as chaperons and seemed to have a good time also. Around 10:30 p. m., everybody picked up their shoes and piled into their cars and came home drowsily.

Recently Austin Ortega spent a week end in Tijuana sight-seeing.

The St. Joseph club would like to take this opportunity to thank everyone in Pueblo who so generously contributed to raise \$75.00 to enter the baseball league. It really shows that when Pueblo wants to do something, it does so without hesitating. That's a fine spirit to have and to be proud of.

GIVE YOUR OLD WORN CLOTHES TO GOODWILL AGENCY

Spring cleaning time is here again and Goodwill Industries, providers for jobs for handicapped persons, once more ask housewives to by-pass the trash can and send old furniture, clothes, newspapers and magazines their way.

Give cast-offs, broken articles and outworn garments to the nearest Goodwill agency. By phoning the agency in your neighborhood a Goodwill driver will drop by your home to pick up the Goodwill bag, furniture or clothing.

Torrance To Get \$1,240 of State Liquor Revenue

Liquor license fee revenues amounting to \$1,630,986.40, representing the half-year period from July 1, 1946 to Dec. 31, 1946, are soon to be distributed between the cities and counties of the state. In making this announcement the Board of Equalization explained that this

sum is one-half of license fees collected for that six-month period, which is the share of the cities and counties of the total amount collected. The state retains the other half, from which is defrayed all cost of licensing, administration and enforcement of the provisions of the Alcoholic Beverage Control Act, and the major portion going into the general fund.

Of this \$1,630,986.40, the City of Torrance will receive the amount of \$1240.
